2. The meeting was held to establish a permanent liaison channel between TSS/APD research personnel and TR/S. As a result of the conference the following decisions were reached:

- (a) TSS/APD personnel desiring to use [] for testing purposes will submit a memorandum through [] office (PPS/TR/S) setting forth the names of personnel to be present, the time needed and the facilities necessary for completion of the test (this should be as specific as possible).
- (b) TR/S will make available such items as transportation, quarters, work clothing and personnel, where necessary. However, it is suggested that TSS supply its own transportation to [] where possible, since vehicles are not readily available at the site. Food maybe had at the rate of \$.50 per meal.
- (c) TSS/APD personnel using [] will supply to [] office any security restrictions on a given piece of equipment, particularly in relation to the problem of briefing [] participants in [] activities on the gear in question.
